Important: You must return this form along with an official bank statement from your funding source. The Bank statement must not be any older than 60 days from date sent and must have enough funds to cover your designated expenses. We recommend you request 2 original copies of each statement in case one gets lost in the mail. If you are providing more than one bank statement, you must have a letter from each sponsor.

Instruction: Before filling out this form, please refer to the enclosed Estimate of Expenses and make sure that your funding equals the amount necessary to attend Washington University. For students who have to take 60 credits you have to provide financial statements in the amount of **\$43,857** for your first academic year.

Please complete this form in full. This form must be completed before Washington University can issue your visa eligibility document: I-20 or IAP-66. All sources of support must be shown in US dollars for a nine-month academic year, plus the cost of living expenses.
